NETWORKING DAY 2021

**THE STRENGTH AND INNOVATION OF THE  
BIOALPS COMMUNITY**

## **COVID | Access Guidelines**

To ensure the health and safety of all our participants, access to the event will only be granted to participants who have a:

- Valid COVID certificate (paper or digital)
- Identification document

Valid COVID certificates are delivered to:

- people who have been fully vaccinated (valid 1 year)
- people who have recovered from COVID (valid 180 days)
- people who have tested negative
  - PCR test (valid 72 hours)
  - Rapid antigen test (valid 48 hours)

More information can be found on the [Federal Office of Public Health](#) website, including how and where to get a valid COVID certificate.

### **Arrival and Registration**

Participants' COVID certificates and identification documents will be checked upon arrival using the state-issued application "Covid certificate Check".

Please note that no entrance or reimbursement will be granted to participants who cannot provide a valid COVID certificate. Each participant is responsible for the acquisition of a valid COVID certificate.

### **COVID measures in Switzerland**

All the information regarding the latest guidelines from the Federal Office of Public Health can be found [here](#).
